Hospital-at-Home: Improving discharge together

We Want To Hear From You

Hospital-at-Home provides hospital-level care at home for people who would otherwise need hospital admission. It is usually short-term and can be either to avoid hospital admission or to allow for early discharge from the hospital.

Have you received care on hospital-at-home?

Are you a carer/relative of someone who received care on hospital-at-home?

Join us to explore the current Hospital at Home discharge journey, identify what works well and when the challenges are, and develop practical ideas for improvement.

Where:
Virgin Money
Leeds City Centre

When:
24th November, 2026

Time:
10:30 am-12:30 pm.

Participants will be paid £55 for the hours of the workshop.

Your experience matters.. Help us shape a discharge process that't works for patients, carers and services.
